5 Star Review: If you want a bright flashlight, LED flashlight that is the coolest flashlight app with the maximum flashlight output and best flashlight sounds, this is the flashlight for you! Brightest Flashlight Free.

5 Star Review: The most coolest and awesome flashlight in the market!! I really love it.....it is so bright, and it is so helpful tool!! :)

5 Star Review: Best I ever had! Perfect! Brightest light app that I can find, droid2global and droid x. Amazing whoops the Iphone light o.o

5 Star Review: Awesome! Bright as most flashlights and doesn't overwhelm your battery. Droid 2

5 Star Review: Flashlight is great I always have my phone with me me the flashlight app.actually makes my phone start to act like a multitool can't say enough about it.

5 Star Review: Love One of the only ones I down loaded that turned my flash on as well

5 Star Review: Best App Ever!This app makes my phone so bright that it makes a completley dark room light up so you can see every corner without pointing the light into it!
